

## DR. CLYCE NAMED ON THIRD BALLOT

(Continued from First Page.)

ers. A motion was made that the election this year be held by ballot, but the motion was not carried. The roll was called and 177 voted, making eighty-nine necessary to election. Dr. Reed received fifty-seven, Dr. Vance twenty-seven, Dr. Clyce thirty-nine and Dr. Clyce fifty-four, and there was no election. A motion was made and was carried that after each vote the name of the nominee receiving the smallest number of votes be dropped. After the first vote the name of Dr. Doherty was dropped.

When the roll was called the second time 175 voted, making ninety necessary to election. Again there was no election. Dr. Reed received sixty-five votes, Dr. Clyce seventy and Dr. Vance forty-three. The name of Dr. Vance was dropped, and the roll was called again. This time 151 voted. Dr. Clyce received ninety-four votes and Dr. Reed eighty-seven, and Dr. Clyce was elected.

Dr. Cecil appointed Dr. Weaver to escort Dr. Clyce to the platform and he did so. Dr. Cecil gave the gavel to Dr. Clyce, and expressed to him his pleasure at doing so.

Dr. Clyce thanked the assembly. Dr. Clyce spoke briefly to the assembly expressing his appreciation for the honor which the assembly had conferred upon him and upon the state of Texas in bestowing upon him the honor of electing him moderator. He then took up the business of the assembly. Dr. Law made the request that Rev. C. M. Matthews, of Pulaski, and Rev. J. E. Wallace, of Pelzer, S. C., be appointed temporary clerks to assist Rev. J. D. Leslie, permanent clerk, and himself in their work. This request was granted. The privilege of the floor was granted to Dr. Carson, pastor of the church.

The hours for meeting and recess were fixed.

The reports of the four executive committees—foreign missions, home missions, publication and ministerial education and relief—were distributed in printed form, and the secretaries of each committee spoke briefly to the assembly.

On motion, Rev. A. L. Phillips, of Richmond, superintendent of Sabbath schools and Young People's Work, spoke to the assembly. He emphasized especially the importance of using only such literature in the Sabbath schools of the church as gives the first place to the Bible and literature that has no touch of higher criticism.

The assembly took a recess at 5 o'clock. Rev. E. R. Leyburn pronounced the benediction.

The session this evening was held at the request of the permanent committee of systematic benevolence, and several speakers were heard relative to the finances of the church.

**Reports on Foreign Missions.**  
Reports of the Presbyterian mission work in China and India occupied a large part of the report of the executive committee on foreign missions, made to-day.

"In China," says the committee, "the revolution, one of the greatest movements in human history, has presented an opportunity of meeting an inquiring people with the life and light they are seeking." The reversal of feeling is described as "miraculous," and much stress is laid on the necessity of seizing the opportunity to extend the influence of the church. Purchase of the heathen temples in China, many of which could be had for a song, is urged, and need of funds to make such a step possible is emphasized.

The total number of missionaries now on the roll is 317, of whom twenty-three were added in the past year. The total number of additions to the church by baptism in the various foreign mission fields is 3,510 for the year, an average of about thirty-nine a each ordained missionary. Of the coming year the committee asks a total appropriation of \$452,830, as the minimum amount on which the work can be carried on as at present organized and provide for normal development, though it is urged that the sum of a million dollars a year could be wisely and effectively used. Of the sum asked, the missions task

\$250,000 plus \$15,000, an average estimate of incidental expenses; seventy-five additional missionaries would require \$75,000, with \$30,000 added for their outfit and travel; the expenses of the home administration office are figured at \$10,000, while the present indebtedness is \$102,530. Total receipts last year were \$505,212.

Thirty members are desired for the African mission; seven are needed in Brazil; Cuba asks three ordained men and women; Chinese missions urge twenty-two ordained men, teachers, physicians, nurses; Korea still requires five.

**Home Missions Reports.**  
The executive committee of home missions rendered an account of its expenditures of \$125,757.17, received from all sources during the year just past, in its annual report to the general assembly, made to-day.

"In round numbers, substantially correct," says the report, "the executive committee is aiding in the support of 190 missions (not counting their wives), 600 churches and missions, receiving about 3,000 into membership on profession of faith, and perhaps as many more by certificate." The year marked the first in which the committee had supervision of the negroes, that cause having been consolidated. There was still further enlargement of the committee's sphere when, on October 1, 1911, under the authority of the General Assembly, the South Western Society, through Dr. E. O. Guernsey, president, transferred to the committee fifty additional missionaries.

## HOMER C. STUNTZ ELECTED BISHOP

First One Chosen by Methodists Out of 244 Candidates Before Conference.

Minneapolis, May 16.—Out of 244 candidates one man was elected bishop to-day by the general conference of the Methodist Episcopal Church, in session here. Rev. Homer C. Stuntz, assistant corresponding secretary of the Board of Foreign Missions, New York, being the first of eight nominees who will be elected. He is the second man to have the honor of being elected on the first ballot since the two-third rule went into effect. Eight hundred and two votes were cast. Three were declared defective, making a total of 799 valid votes. Five hundred and thirty-three were in excess of the necessary to election. Dr. Stuntz received 257. The next highest were: M. G. Dowling, New York, 231; M. S. Hughes, Pasadena, Cal., 229; W. D. Shepard, Chicago, 227; R. J. Cooke, New York, 221; R. E. Jones, Kentucky, New Orleans, 221; E. J. McConnell, Greendale, Ind., 220; S. H. Kansas City, Mo., 212; Andrew Gillies, Minneapolis, Minn., 206.

The first ballot was announced at an extra session at 5 o'clock, and another ballot was taken. The result of the second ballot will be announced to-morrow morning.

Under a suspension of the rules the committee on episcopacy reported to-day its decision that eight bishops should be elected. Without change the report was adopted, and after adoption of rules regulating balloting, the first ballot was taken. It is expected that the second ballot will be taken to-morrow.

## SEEK TO EXPEDITE WORK OF CONGRESS

Generally Conceded Adjournment Will Not Come Till After Conventions.

Washington, May 15.—To expedite the business of Congress Democratic Senators will caucus Friday night to consider the order of business, and possibly the provisions of some of the bills. The opinion was expressed by many leaders that a definite program would have the effect of curtailing the session after the national party conventions in June. Senator Heyburn said he had been the only one to take a definite position against adjournment before the conventions, but a majority of the members are believed to regard the postponement of adjournment as impracticable. Senator Cummings to-day said he probably on principle would not vote for the adjournment of the Senate before the conventions.

The Finance Committee to-morrow will resume an effort to expedite action, and while it can only recommend, its suggestions are influential. The regular Republican members of the committee expect to report to-morrow a substitute for the House bill, prepared by Senator Lodge, which would eliminate the differential and the duty standard, it would retain the present tariff.

The House excise bill which a vote also will be taken by the committee to-morrow will be reported to the Senate by Senator Lodge. It would eliminate the differential and the duty standard, it would retain the present tariff.

**Memorial Day Observed.**

Norfolk, Va., May 16.—Memorial Day was appropriately celebrated here to-day. The city was decorated with flags, and exercises in Elmwood Cemetery. A volley of shots was fired by the Light Artillery. An address was made by Rev. T. A. Smoot.

## BAPTISTS HEAR SEMINARY NEEDS

President Mullins Pleads for the Theological School at Louisville.

ASKS CHAIR OF SOCIOLOGY

Convention Unanimously Declines to Establish Board of Journalism.

Oklahoma City, Okla., May 16.—Baptist ministers need a better understanding of economic and sociological problems, according to the views of President E. Y. Mullins, of the Southern Baptist Theological Seminary, at Louisville. That students of the seminary may gain such knowledge, President Mullins and the board of trustees to-day petitioned the convention to establish a chair of sociology in the seminary.

The Rev. Mr. Mullins explained to the convention that the institution is in need of a permanent ministerial educational fund and an authorized board for its administration. He declared the seminary could have enrolled more than 312 students last year had it had sufficient funds to aid those who made application.

Dr. George E. Eager, member of the seminary faculty, pleaded for the establishment of a chair of sociology. He outlined certain sociological phenomena of the present day and connected the same with the urgent need of an educated ministry to cope with them. He discussed the movement of the urban population of the nation toward great cities and social centers. He urged that a fund with which to train in a Christian ministry, capable intellectually as well as morally to do its part in the way of leadership.

The request of President Mullins was referred to a special committee for consideration and report.

The recommendation of that a board of journalism be named to publish a religious newspaper under the auspices of the Southern Baptist convention was unanimously voted down by the convention to-day afternoon.

Rev. R. T. Hank, D. D., chairman read the list of nominees to fill nine vacancies on the board of trustees of the Southern Baptist Theological Seminary.

The nominees include Maryland and District of Columbia John R. Stratton, Charles T. Ragby, H. E. Pike, and North Carolina—Livingston Johnson, W. C. Tires, W. C. Barrett.

Tennessee—J. W. Dillard, W. H. Major, L. N. Penick, J. Pike Powers, Taylor, Spencer Tamm, Norman Smith, R. H. Hunt, W. W. Weaver.

Professor John T. Henderson, of Bristol, Va., read the report of the Laymen's Missionary Movement. The committee spent during the year \$1,000, of which Sunday school board paid \$122.42 and \$19.17 was raised by field contributions.

A laymen's convention, to be held in some central Southern city, was called for by the report and later was more specifically asked for by the convention to-day.

Work of the Sunday school and home boards and the Louisville Seminary had the right-of-way to-day. The committee on Sunday school lessons helps reported, and was continued with instructions to study uniformly the needs of the Sunday schools.

The Sunday school board has at the end of twenty-one years a business of over \$200,000, a building fund of \$58,000, and a reserve fund of \$50,000. In many directions the board has done great service for the denomination. Stress was laid on the need of closer relationship with Southern Baptists, and the latter invited this body to hold its next session in New Orleans.

The home mission reports called attention to the growing importance of the problem of the city and to the need of more evangelism in the South. That an overseas service on home missions was held in the large Christian Church. At both of the services a number of Indians appeared on the platform. For two days now the throes of this great gathering have been going on, and greater things in the years to come. At this year the gifts to missions have been greater than ever before, there has been in the convention little boasting, every one seeming to feel that Southern Baptists have not begun to do their full work in giving for missions. Yesterday ten delegates favorable to Mr. Roosevelt were chosen in the five congressional districts.

**Minnesota For Roosevelt.**

column of the list foots up 501. Under the heading, "For some other candidate," are placed 315 delegates, while eighty-four are listed as unaffiliated, and thirty-eight as contested.

"I have gone over this table in minute detail," said Colonel Roosevelt, "and I consider it an underestimate of our strength."

The former President asserted that the list of delegates which has been given out by the Taft managers was so misleading as to give little idea of the line-up, and that it was his purpose to show just what was the situation.

**Brown Not a Boss.**  
In his speech here to-night Colonel Roosevelt replied to the statement that though he had been attacking political bossism, Walter Brown, his Ohio manager, was in the class of bosses. He declared that the talk about Mr. Brown being a boss was nonsense.

In defense of his proposal for the recall of judicial decisions, Colonel Roosevelt read extracts from a letter written last winter by former Federal Judge Peter Grosscup, of Chicago, to the effect that the Colonel's contention was a sound one.

Colonel Roosevelt denied the charge made by President Taft that he was preaching class hatred.

When Colonel Roosevelt learned of the outcome of the Republican State convention in the State of Washington yesterday, as a result of which Taft's delegates are to be sent to the national convention, he denounced the action of the supporters of President Taft there as "scandalous." At Paulding.

"The most scandalous thing our opponents have recently tried and failed in is to steal from the people of Washington the delegates of that State. Wherever we held primaries in that State we beat them. Where they were stronger we beat them two to one. Where they were not so strong we beat them about eight to one. They had no chance of any kind, and yet they endeavored to steal what they could not earn—to try by theft to get what they could not get from the people."

While Colonel Roosevelt was speaking at a man called out: "What about the words of the bright young man?"

Colonel Roosevelt whirled about and pointed his finger in the direction of the questioner.

"You can't ask me any questions, you foolish creature, that I can't answer," he said. "I will answer you by quoting the words of President Taft's father about the third term."

He then read the letter written by Judge Alphonso Taft, the President's father, to the Cincinnati Enquirer, which he read in his speech in Dayton, Ohio, last night.

After quoting Judge Taft's opinion, Charles T. Ragby, H. E. Pike, and North Carolina—Livingston Johnson, W. C. Tires, W. C. Barrett.

## Folk Dances With the VICTOR

The First of a Series of Records for Folk Games and Dances.

The Folk Dances of other lands are fast becoming a very fascinating part of our school activities, both indoors and on the playground, and in recreation and social centers. The greatest difficulty has been experienced in obtaining suitable music, correctly played, especially out of doors, where pianos may not be conveniently carried.

Here we have solved the whole question. Victrola can go anywhere; always ready; never weary. These records were made by the full Victor Military Band under the personal supervision of Miss Elizabeth Burchard, of New York, Inspector of Athletics for the City Schools, Organizer and Chairman of the Folk Dance Committee of the Playground Association of America, and author of several books of Folk Dance music.

Come in and let us play some of these fascinating records for you.

Republican Convention supporters of former President Roosevelt, the convention to-day endorsed Roosevelt and his principles. The Progressive Republican Minnesota delegation of twenty-four to vote for him "first, last and all the time."

Practically the only fight of the session was over the minority report of the resolutions committee, composed of three supporters of Senator La Follette. This report was rejected by the convention, 696 to 478.

The majority of the committee had agreed, however, to adopt into the majority report the La Follette plank favoring the presidential preferential primary election of United States Senators by direct vote and the enactment of a more thoroughgoing corrupt practices act. In place of endorsement of Senator La Follette as second choice at the Chicago convention, the majority report endorsed the principles of "Progressive Republicanism" as pronounced by Theodore Roosevelt, Senator Robert M. La Follette and other progressive leaders.

The majority report was adopted by the convention by an overwhelming vote.

**Separate Conventions Held.**  
Little Rock, Ark., May 16.—Separate conventions were held by the supporters of President Taft and Roosevelt to-day. In the Taft convention, the delegates elected to-day and elected J. C. T. Harris and J. C. Matthews as delegates to the Chicago convention. No instructions were given.

While these delegates were unopposed, they are pledged to Col. Roosevelt as against Taft. Tuesday, they were instructed for his nomination.
